This guide contains the steps that referees must follow for submitting the Supplemental Report form in the event of a Send Off or to explain any unusual circumstance that occurred. If you have any questions after going through this process, please email Elliott Spruell (espruell@usyouthsoccer.org).

The link for the Supplemental Report form can be found in the “Instructions to Referees” document, available on the Conference website under the Referee Information drop-down.

You must take a picture of the GotSport Game Card in order to submit the Supplemental Report form.

This form is mobile-friendly and can be completed at the fields following the game. If not completed at the fields, the report MUST be completed the same day of the game.
