

2021-22 SEASON GENERAL TEAM INFORMATION

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The US Youth Soccer National League is debuting a new structure for the 2021-22 season. The primary competition takes place at the multi-state level within the network of 13 regionally aligned conferences across the country. The national platforms that tie together the Conferences are National League P.R.O. and the National League Showcase Series, which provide opportunities for more teams to participate in high level competition and showcases that match up similar teams from varying areas of the country.

The **Great Lakes Conference** is one of 13 conferences that fall under the scope of the National League and operate at a multistate level — providing high-level competition on a consistent basis at a targeted local level (New York West, Pennsylvania West, West Virginia, Ohio North, Ohio South, Indiana, Michigan, Minnesota and Kentucky).

The Great Lakes Conference's Tier 1 divisions (both team vs. team based and club vs. club based) offer its teams an opportunity to qualify for the 2022 US Youth Soccer Midwest Regional Championships, which are held annually each summer. All teams within the Great Lakes Conference also have the opportunity to take part in National League P.R.O. and the National League Showcase Series, which provide teams with a chance to play cross-conference matches in a national setting with increased exposure to college, professional and national team scouts. The Tier 2 divisions of the conference (Premier II) offer more locally based travel in the conference and the opportunity to earn promotion to Tier 1.

INTRODUCTION

This document will serve as an overview of the conference and should be read prior to submitting an application to the conference. Once your team has been accepted you should always review the National League rules and Conference Operating Procedures (COPs) which can be found in the Rules & Policies dropdown on the conference homepage.

The conference calendar can be found in the Team Information drop down on the conference homepage. Here you will find all important dates for the upcoming 2021-2022 seasonal year including (but not limited to) application dates, scheduling meeting dates, must be available to play dates, and the roster freeze deadlines.

COMMITMENT

Any team looking to participate in the US Youth Soccer Great Lakes Conference must understand the level of commitment it takes to participate in a League that stretches across 8 different state associations. All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true "home" games. A limited number of teams are accepted into the US Youth Soccer Great Lakes Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.

Also new for the 2021-2022 fall season we will be introducing 13U. All 13U teams will start at the same level in the Fall 2021 season.
