

2022-23 SEASON TEAM INFORMATION

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The **Great Lakes Conference** is one of 13 conferences that fall under the scope of the National League and operate at a multistate level — providing high-level competition on a consistent basis at a targeted local level (New York West, Pennsylvania West, West Virginia, Ohio North, Ohio South, Indiana, Michigan, Minnesota and Kentucky).

The Great Lakes Conference's Tier 1 divisions (team-based and club-based) offer its teams an opportunity to qualify for the 2023 US Youth Soccer (USYS) Midwest Regional Championships, which are held annually each summer. Tier 1 teams within the Great Lakes Conference also have the opportunity to qualify for National League P.R.O., which provides teams with a chance to play cross-conference matches in a national setting with increased exposure to college, professional and national team scouts. The Tier 2 divisions of the conference (Premier II) offer more locally based travel in the conference and the opportunity to earn promotion to Tier 1.

This document will serve as an overview of the conference and should be read prior to submitting an application to the conference. Once your team has been accepted, you should always review the National League rules, Conference Operating Procedures (COPs) and FAQ's, which can be found in the Rules & Policies dropdown on the conference homepage.

COMMITMENT

Any team looking to participate in the USYS Great Lakes Conference must understand the level of commitment it takes to participate in a League that stretches across 8 different state associations. All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true "home" games. A limited number of teams are accepted into the Great Lakes Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.

Please note that 13U and 14U Regional qualifiers come from the spring season standings, not the fall season. Any team that achieves an automatic qualification slot to Regionals from the conference is expected to honor the commitment to participate in the Midwest Regional Competition. QUALIFICATION INTO 2023-24 NATIONAL LEAGUE P.R.O.

Teams placed in the top tier of the Conference in the Club vs Club division or Premier I will have opportunities to automatically qualify and compete within a national platform through National League P.R.O. for the 2023-24 season. National League P.R.O Information can be found [HERE](#), for any other questions, please contact nationalleague@usyouthsoccer.org.

NATIONAL LEAGUE REGIONAL SHOWCASES

We have removed the former mandate for the national showcases. These national events have now been replaced with Regional Showcase events. These events are 3 day events. Teams will play a game a day, Friday, Saturday, Sunday.

LOCATION OF GAMES - HOSTING

There are three categories for hosting USYS Great Lakes Conference games:

USYS Great Lakes Conference Hosted Weekends. USYS Great Lakes Conference hosts games at a multiple field location. However, it is the responsibility of teams, affected by their inability to play on Must Be Available to Play Weekends, to be flexible in being able to schedule USYS Great Lakes Conference games on other weekends during the Fall Season. A team's requirement to be available to play on these USYS Great Lakes Conference weekends ceases once the division schedule is agreed to by the teams. The purpose of the Must Be Available to Play Weekends is to ensure common play dates. USYS Great Lakes Conference allows flexibility in scheduling providing all teams in a division agree to scheduling flexibility.

GENERAL SCHEDULING INFORMATION

For 2022-23, all scheduling will be done remotely. Designated Scheduling Coordinators (DSC's) will be appointed to each division, once the brackets have been published. Full details will be provided prior to scheduling, for the scheduling deadlines, please view the Conference Calendar.

Teams participating in the USYS Great Lakes Conference must be available to play and schedule on the published conference dates. By submitting your team application, your team is committing to play and schedule on the published dates for the conference.

Teams should understand that due to the nature of scheduling of games for teams from across multiple states that **scheduling games for the benefit of a single coach who coaches multiple teams should not be expected.** Time conflicts will occur for those coaches that coach multiple teams on USYS Great Lakes Conference weekends and the USYS Great Lakes Conference, as well as the other teams within a division, are under no obligation to assist these coaches with their conflicts. COMMUNICATION FROM/WITH THE CONFERENCE

Email is the primary means of communication within the USYS Great Lakes Conference. The USYS Great Lakes Conference compiles team contact information based on each team's application into the conference. It is the responsibility of the team to ensure the correct coach/manager is assigned to the team's Conference roster in GotSport at the time of the application to receive communications from the Conference. If this changes at any time contacts must be updated immediately in GotSport to ensure all opposing team contacts and the conference staff can contact your team. It is important not to opt out of GotSport communications as that will lead to team officials not receiving important league communications.
