

INSTRUCTIONS TO REFEREES FOR MATCH PROCEDURES *(as of 8/8/2022)*

Thank you for accepting assignments to referee in the Conference. This league features the highest level of US Youth Soccer in the region. The level of competition is comparable to games at the Regionals and the late rounds of State Cup competition. Teams are battling for slots into Regionals, qualification to the National League Showcase/Playoff Series and compete for promotion/relegation from tier to tier.

Prior to The Game

- Referees should arrive no later than 30 minutes prior to scheduled kick off time
- Teams are to show GotSport Game Cards and USYS Member Passes for each player and coach **from such club** to the referee, prior to the game
- GotSport Game Cards will list ALL players on a team's roster. Non participating players should be crossed off on the GotSport Game Card and those players won't be dressed to play. Coaches or managers will meet prior to the match to consolidate rosters. Coaches should destroy the duplicate roster.
- Referees are to collect the player passes for any non-participating player that is sitting on a team's bench prior to the match to ensure that such players do not participate.
- Referee crew identifies the team listed first on the game card in the case of a tie (this team keeps game card if there is a tie)
- Club Pass Players are allowed
- Official State Association Rosters are to be exchanged with opponent upon request
- It is expected that the first team listed on the match schedule is to wear light/white color jerseys and socks. When there is a conflict in uniform color, the team listed second on the schedule must change its jerseys and socks, except in situations where the team listed first is wearing dark colored jerseys and/or socks, then the team listed first must change to light/white color jerseys and socks. The Referee shall define what constitutes light and dark color jerseys and socks.
- 15-minute grace period for late arrival before the game is abandoned. Referees may not determine that game is forfeited, that is done at the Conference level
- In the event that a referee does not show up for an assigned game, a club AR should be used. The referee fees should be paid accordingly to the assigned Referee and AR. The fee for the second AR (club AR) is returned to the teams

During The Game

Age Group	Length of Game	Substitutions

Under 17,18,19	45-minute halves	FIFA seven (7) per half. Once replaced, players cannot re-enter during that half.

To manage the limited substitution process player passes of the starting players should be collected at the start of each half.
