

Locating the Contact Information for Other Teams in Your Conference

(all information is subject to change 4/4/2022)

This guide can be used to locate the contacts on file for another team in Conference. If you have any questions after going through this process, please email Bryan Flanagan (bflanagan@usyouthsoccer.org).

Team contacts would be retrieved team-by-team, but as team contacts are frequently changing, this is the best method to get the most current information for each team.

1. Click on the public schedule link that is on the Conference website under the Scores, Standings, & Schedules drop-down.
2. Navigate to the division that you are in and click on Schedule next to the division name.

3. In the standings, click on the team name you are trying to locate contact information for.

	Team	MP	W	L	D	GF	GA	GD	PTS
1	Midwest National League Conference USYS Blue	1	0	0	1	1	1	0	1
2	Midwest National League Conference USYS Red name change	1	0	0	1	1	1	0	1

4. After clicking the team's name, you will be viewing the team's page and schedule. At the top of the page, below the team's name, coach's name and manager's name, there is a link titled View Team Contact Information. Click this link.

Midwest National League Conference USYS Blue

Team ID: 116887

Coach: Jimmy Sparkman

Manager: Jimmy Sparkman

[View Team Contact Information](#)

[Export Team Schedule](#)

5. You will be taken to a page that has the team's coach and manager listed, along with the email and/or phone that is on file. This information is populated by the club and coach.
