

2023-24 SEASON TEAM INFORMATION

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The **Midwest Conference** is one of 13 conferences that fall under the scope of the National League and operate at a multistate level — providing high-level competition on a consistent basis at a targeted local level (Illinois, Indiana, Wisconsin, Michigan, Missouri, Iowa, Kansas, Nebraska, North Dakota, South Dakota and Minnesota).

The Midwest Conference's Tier 1 divisions (team-based and club-based) offer its teams an opportunity to qualify for the 2024 US Youth Soccer (USYS) Midwest Regional Championships, which are held annually each summer. Tier 1 teams within the Midwest Conference also have the opportunity to qualify for National League Conference Playoffs, which provides teams with a chance to play cross-conference matches in a national setting with increased exposure to college, professional and national team scouts. The Tier 2 divisions of the conference (Premier II) offer more locally based travel in the conference and the opportunity to earn promotion to Tier 1. Conference Qualifiers (Tier 3) in various states offer play in-state or within city metropolitan areas and the opportunity to earn promotion to Tier 2.

NATIONAL LEAGUE CONFERENCE PATHWAY

INTRODUCTION

This document will serve as an overview of the conference and should be read prior to submitting an application to the conference. Once your team has been accepted, you should always review the National League rules, Conference Operating Procedures (COPs) and FAQ's.

CONFERENCE CALENDAR

The seasonal conference calendar can be found on the homepage of the Midwest Conference website. Here you will find all important dates for the upcoming 2023-2024 seasonal year including (but not limited to) application dates, scheduling meeting deadlines, conference hosted event dates, college showcase dates and must-be-available-to-play dates.

COMMITMENT

Any team looking to participate in the USYS Midwest Conference must understand the level of commitment it takes to participate in a League that stretches across 11 different state associations. All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true "home" games. A limited number of teams are accepted into the Midwest Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.

The 2023-24 USYS Midwest Conference will include the following Boys and Girls age groups:

- 13 and Under (13U) – for players born on January 1, 2011 or later

The Team Fee does not include Referee Fees, which will be paid in accordance with the Conference Operating Procedures. B13U-18/19U and G13U-14U teams from Michigan and Indiana may choose to play in either the Midwest Conference or the Great Lakes Conference based on their location, but once a conference is chosen, they must remain in that conference for subsequent years or start in the lowest tier. G15U-18/19U teams from Michigan will play in the Midwest Conference due to fall conflicts with high school in Great Lakes Conference states. B13U-18/19U and G13U-18/19U teams from Indiana may choose to play in either the Midwest Conference or the Great Lakes Conference based on their location. Once a team from Michigan or Indiana selects a conference they must remain in that conference for subsequent seasons, or start from the lowest tier. ADVANCEMENT TO REGIONALS

The top Premier I team (non state cup champion) from each age group and gender of the USYS Midwest Conference may qualify for 2024 Midwest Regional Championships in the same seasonal year as the USYS Midwest Conference. Specific allocations will be designated early in the spring season. To remain qualified for Regionals, a team must also play in their state association's State Cup competition. Please note that 13U and 14U Regional qualifiers come from the spring season standings, not the fall season. Any team that achieves an automatic qualification slot to Regionals from the conference is expected to honor the commitment to participate in the Midwest Regional Competition. Failure to field a team in such Regional Competition will result in a \$500 league fine.

QUALIFICATION INTO 2024-25 NATIONAL CONFERENCE PLAYOFFS

Teams placed in the top tier of the Conference in the Club vs Club division or Premier I division, will have opportunities to automatically qualify and compete within the national league conference playoffs for the 2024-2025 season. All automatic qualifiers come from the National League Conferences based on teams' performances in the 2023-24 season. An application process will then be used to select teams to fill in any open slots. National League P.R.O. information can be found [HERE](#), for any other questions, please contact nationalleague@usyouthsoccer.org.

LOCATION OF GAMES - HOSTING

There are three categories for hosting USYS Midwest Conference games:

USYS Midwest Conference Hosted Weekends. USYS Midwest Conference hosts games at multiple field locations. There will be additional costs to the teams for playing matches at USYS Midwest Conference hosted weekend sites, to cover the additional fees required for facility costs and safely staffing these events. The USYS Midwest Conference hosted weekends for the 2023 Fall Season and the 2024 Spring Season will be posted on the midwest conference website.

One-Off Hosting. A team hosts a one-off game between itself and another team from within its division. Host bears all costs for hosting or if teams agree at the time of scheduling, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.

Group Hosting. A team hosts a number of teams over a weekend amongst teams from within its division. Host team bears all costs for hosting or if the teams agree at the time of scheduling, the teams may share costs (usually for games played at a neutral location). MUST BE AVAILABLE TO PLAY WEEKENDS

Must be **available** to play weekends for 2023 Fall Season are September 9-10, September 16-17, September 23-24 & September 30-Oct 1. Must be **available** to play dates in Spring 2024 are April 20-21, April 27-28, May 4-5 & May 11-12. Teams are only excused from USYS Midwest Conference play on these weekends due to USYS state cup conflicts. However, it is the responsibility of teams, affected by their inability to play on “must be available to play” weekends, to be flexible in being able to schedule USYS Midwest Conference games on other weekends during the Fall Season. A team’s requirement to be available to play on these USYS Midwest Conference weekends ceases once the division schedule is agreed to by the teams. The purpose of the “must be available to play” weekends is to ensure common play dates. USYS Midwest Conference allows flexibility in scheduling providing all teams in a division agree to scheduling flexibility.

GENERAL SCHEDULING INFORMATION

For 2023-24, all scheduling will be done remotely. Designated Scheduling Coordinators (DSC’s) may be appointed to each division, once the brackets have been published. Full details will be provided prior to scheduling, for the scheduling deadlines, please view the Conference Calendar.

Teams participating in the USYS Midwest Conference must be available to play and schedule on the published conference dates. By submitting your team application, your team is committing to play and schedule on the published dates for the conference.

Teams should understand that due to the nature of scheduling of games for teams from across multiple states, **scheduling games for the benefit of a single coach who coaches multiple teams should not be expected**. Time conflicts will occur for those coaches that coach multiple teams on USYS Midwest Conference weekends and the USYS Midwest Conference, other teams within the conference, are under no obligation to assist these coaches with their conflicts. Once schedules are developed, schedule changes are permitted in accordance with USYS Midwest Conference scheduling policy.

COMMUNICATION FROM/WITH THE CONFERENCE

Email is the primary means of communication within the USYS Midwest Conference. The USYS Midwest Conference compiles team contact information based on each team’s application into the conference. It is the responsibility of the team to ensure the correct coach/manager is assigned to the team’s Conference roster in GotSport at the time of the application to receive communications from the Conference. If this changes at any time contacts must be updated immediately in GotSport to ensure all opposing team contacts and the conference staff can contact your team. It is important not to opt out of GotSport communications as that will lead to team officials not receiving important league communications.
