

2023-24 SEASONAL YEAR PIEDMONT CONFERENCE OVERVIEW

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The primary National League competition takes place at the multi-state level within the network of thirteen (13) regionally aligned conferences across the country. The national platform that ties together the Conferences is National League Conference Playoffs which qualifies the top teams from each National League Conference to compete for slots into the US Youth Soccer National Championships.

The **Piedmont Conference** is one of thirteen (13) conferences that fall under the scope of the National League and operate at a multi-state level — providing high-level competition on a consistent basis at a targeted local level (North Carolina, South Carolina, Georgia, and parts of east Tennessee).

The **Piedmont Conference's** top divisions (both team-based and club-based) offer its teams an opportunity to qualify for the 2024 US Youth Soccer Southern Regional Championships, which are held annually each summer. All teams within the **Piedmont Conference** also have the opportunity to qualify into National League Conference Playoffs for the next seasonal year and compete in a national setting with increased exposure to college, professional and national team scouts.

NATIONAL LEAGUE PATHWAY

COMMITMENT

Any team looking to participate in the Piedmont Conference must understand the level of commitment it takes to participate in a league that stretches across three (3) different state associations. All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true “home” games. A limited number of teams are accepted into the Piedmont Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.

- 13 and Under (13U) – for players born on January 1, 2011 or later

GOTSPORT

The Piedmont Conference uses the GotSport platform to manage the league. All teams will be required to list a contact from their club (in most cases this will be the club administrator) when they register for the conference. That contact will be the point person that the teams within the club will go to first if there are any issues or questions about the GotSport platform. It is important to check with your club before listing the contact on the registration form to be sure the same contact will be listed by every team within your club that is competing in the conference. Team Registration and Roster Building Walkthroughs will be available on the conference webpage and they will be updated throughout the season should any changes happen with those processes. Teams are encouraged to frequently check the team information tab on the conference webpage to see if any updates have been made to these documents.

SELECTION AND PLACEMENT

There is a two-step approval process for accepting teams into the Piedmont Conference. First, each team must be confirmed by its respective State Association as properly registered into their State Association. Second, the Piedmont Conference shall review and determine the final selection of all teams.
