

2023-24 SEASONAL YEAR MID SOUTH CONFERENCE OVERVIEW

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The primary National League competition takes place at the multi-state level within the network of thirteen (13) regionally aligned conferences across the country. The national platform that ties together the Conferences is the [National League Conference Playoffs](#) which qualifies the top teams from each National League Conference to compete for slots into National League P.R.O. Teams who qualify for [National League P.R.O.](#) will have the opportunity to advance to the US Youth Soccer National Championships. For more information on the National League Conference Playoffs and National League P.R.O, [please click here](#).

The **Mid South Conference** is one of 13 conferences that fall under the scope of the National League and operate at a multi-state level — providing high-level competition on a consistent basis at a targeted local level (Alabama, Arkansas, Mississippi, Louisiana, Tennessee, and the parts of the Florida panhandle).

The **Mid South Conference's** top divisions (both team-based and club-based) offer its teams an opportunity to qualify for the 2024 US Youth Soccer Southern Regional Championships, which are held annually each summer. All teams within the **Mid South Conference** also have the opportunity to qualify into the National League Conference Playoffs for the next seasonal year and compete in a national setting with increased exposure to college, professional and national team scouts.

NATIONAL LEAGUE PATHWAY

COMMITMENT

Any team looking to participate in the Mid South Conference must understand the level of commitment it takes to participate in a league that stretches across six (6) different state associations. All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true “home” games. A limited number of teams are accepted into the Mid South Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.

BOYS and GIRLS AGE GROUPS OF COMPETITION

The 2023-24 Mid South Conference will include the following Boys and Girls age groups:

- 13 and Under (13U) – for players born on January 1, 2011 or later

- 19 and Under (19U) – for players born on January 1, 2005 or later

18U BOYS DIVISION - TRANSITIONAL YEAR

For the 2023-24 seasonal year, all National League Conferences will be transitioning to a combined 18U/19U age group division. The Mid South Conference has been granted an exception for the 2023-24 seasonal year to have a separate 18U boys division and a separate 19U boys division. The Conference does maintain the right to combine the divisions if needed. The Mid South will be combining the 18U and 19U boys age groups for the 2024-25 seasonal year.

GOTSPORT

The Conference uses the GotSport platform to manage the league. That contact will be the point person that the teams within the club will go to first if there are any issues or questions about the GotSport platform. Teams are encouraged to frequently check the team information tab on the conference webpage to see if any updates have been made to these documents.
