Northwest Conference Operation Procedures

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The US Youth Soccer National League is debuting a new structure for the 2023-24 season. The primary competition takes place at the multi-state level within the network of 13 regionally aligned conferences across the country. The national platform that ties together the Conferences is the National League Showcase Series, which will provide opportunities for more teams to participate in showcases that match up similar teams from varying areas of the country.

The Northwest Conference is one of 13 conferences that fall under the scope of the National League and operate at a multi-state level — providing high-level competition on a consistent basis at a targeted local level (Oregon, Washington, Idaho, Wyoming, Montana, Alaska and Utah).

The Northwest Conference's top divisions offer its teams an opportunity to qualify for the 2024 US Youth Soccer Far West Regional Championships, which are held annually each summer.
