TEAM PAPERWORK

There will NOT be an in-person check-in. You do not need to turn in any forms or referee pay to a check-in location. **All event fees and referee fees will be collected prior to the event by credit card** (payment details seen below). Then, Game Cards for each game will be turned into the referee at your game field prior to kick-off. ALL Player pass cards, game cards, medical releases, and copies of your official state-stamped roster (for the opponent if requested) should be brought to the field.

EVENT FEES & REFEREE FEES

Be sure to read **ALL** the information below carefully regarding Event and Referee Fees. All event and referee fees **MUST** be paid **PRIOR** to the event. We will not have an in-person check-in and we will not accept cash for event fees or referee fees. These fees must all be paid ahead of time. Once the schedule has been posted, all participating teams will receive an email notifying them of an event invoice in GotSport. This invoice will be specific to each team for the number of games they are playing and their subsequent referee fees. **All teams participating must pay their event fee by Tuesday, April 30, 2024.** If this invoice is not paid prior to the date listed, the payment will be processed to the card on file for the team account. [Click here](#) for a walkthrough on how to update your payment on file. These fees must be paid prior to the weekend.

Please note that all event fees for National League Hosted Event Weekends were clearly listed in the Conference Operating Procedures prior to schedules being created and all teams agree to these fees when they schedule games to

take place at these events. The event fee for each participating team is \$250. If a team is playing a 3rd match, there is an extra \$100 fee for it.

Referee Fees per game break down to the following:

13U and 14U: \$85 per game per team; a total of \$170 (\$70 to Referee and \$50 to each AR)
15U and 16U: \$95 per game per team; a total of \$190 (\$80 to Referee and \$55 to each AR)
17U, 18U and 19U: \$105 per game per team; a total of \$210 (\$90 to Referee and \$60 to each AR)

STAY-TO-PLAY RULE FOR TEAM HOUSING

Housing information can be found on the conference website and has already been sent to all teams. The housing links can be found in the National League Hosted Weekends drop-down for each event weekend. The St. Louis Event Weekend webpage is [linked here](#).

PLAYER UNIFORMS

When there is a conflict in uniform color, the first team listed on the match schedule is to wear light/white jerseys and socks. When there is a conflict in uniform color, the team listed second on the Conference schedule must change its jerseys and socks, except in situations where the team listed first is wearing dark colored jerseys and/or socks, then the team listed first must change to light/white color jerseys and socks. The Referee shall define what constitutes light and dark colored jerseys and socks. If any player/s on the roster are club pass carded players with the same player number as another player on their team, then the number must be edited with tape or washable paint and the game card should be edited to match. Adjusting a jersey number with tape is not permissible at the National Tier of National League but is permissible at the conference level.

SEND OFFS-RED CARDS

Reminder: Anyone receiving a Red Card or Sent Off is automatically suspended from the team's next league game. The referee's decisions on the field are final.

MISCELLANEOUS ITEMS

Some additional notes about this weekend:

- Concessions are available throughout the site
- We expect to play through rain, although severe weather may delay games. We will communicate any delays or schedule updates via GotSport to the team contacts on file. A walkthrough on how to update team contacts is [linked here](#).
