If you have coaches on the coaching education pathway, this requirement may be waived only upon a written request to the League Manager with documentation showing the coaching education pathway taken by the coach.

1.12 Permission to Travel

Teams are not required to complete permission to travel permits/forms for games played outside of their State Association as permission is automatically granted by State Association approval of the team for US Youth Soccer Mid Atlantic Conference play.

1.13 Competition Format

All competitions in every age group shall be round robin. There may be end of season playoffs pending the number of divisions at the Premier I tier. Based on the number of teams placed into subdivisions, teams may play a minimum of five games and up to a total of ten US Youth Soccer Mid Atlantic Conference games during the season. Please be aware of the number of games that teams will be required to play. US Youth Soccer Mid Atlantic Conference teams are required to fulfill their commitment by playing out their entire conference schedule of games.

1.14 Advancement to Regionals

The top one (1) team (non-state cup champion) from each age group and gender of the USYS Mid Atlantic Conference may qualify for 2024 Eastern Regional Championships in the same seasonal year as the USYS Mid Atlantic Conference. Specific allocations will be designated early in the spring season. To remain qualified for Regionals, a team must also play in their state association's State Cup competition. Please note that 13U and 14U Regional qualifiers come from the spring season standings, not the fall season. Any team that achieves an automatic qualification slot to Regionals from the conference is expected to honor the commitment to participate in the Eastern Regional Competition. Failure to field a team in such Regional Competition may result in a \$500 league fine.

1.15 Qualification into 2024-25 National League Conference Playoffs

Teams placed in the top tier of the Conference in Premier I will have opportunities to automatically qualify and compete within a national platform through National League Conference Playoffs for the 2024-25 season. All automatic qualifiers come from the National League Conferences based on teams' performances in the 2023-24 season. An application process will then be used to select teams to fill in any open slots. Additional information can be found [HERE](#). For any other questions that can't be found on the National League Conference Playoffs website, please contact nationalleague@usyouthsoccer.org.

1.16 National League Showcase Series Requirement

We have removed the former mandate for the national showcases. These national events have now been replaced with Regional Showcase events. These Showcase events will be Showcase format only, these are not league weekends. These are additional, optional events that will be by application only (additional fees will apply). These will be primarily for National League teams, but they are open events and teams from outside of the league may apply. These events will be heavily marketed to college coaches. These events are two-day or three-day events.

1.17 Location of Games

The league will operate with **One-Off Hosting Games**. A team hosts a one-off game between itself and another team from within its division. Host bears all costs for hosting or if teams agree at the time of scheduling, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.

1.18 Must Be Available to Play Weekends

Teams are only excused from USYS Mid Atlantic Conference on scheduled weekends due to state cup conflicts. However, it is the responsibility of teams, affected by their inability to play on Must Be Available to Play Weekends, to be flexible in being able to schedule USYS Mid Atlantic Conference games on other weekends during the Season. A team's requirement to be available to play on these USYS Mid Atlantic Conference weekends ceases once the division schedule is agreed to by the teams. The purpose of the Must Be Available to Play Weekends is to ensure common play dates. USYS Mid Atlantic Conference allows flexibility in scheduling providing all teams in a division agree to scheduling flexibility.

1.19 League Fines

Any team that is subject to a league fine/s must pay such fine/s immediately upon notification from League officials. You will receive written email notification from the League of such fines. Any team failing to pay fines imposed on their team may result in such team being suspended from the conference for subsequent years. Any club with a team that is suspended shall receive a warning to their club. If repeated team fines are not paid from said club, the warned club may have all teams suspended from the League for subsequent

years. All league fines once issued can be paid through your team GotSport account. Additional late fees will be added if fine invoices are not paid by the due date. Due dates will be provided when the fine is invoiced through GotSport.
