- **CLICK HERE TO APPLY**

FORMAT AND SCHEDULING

WHO COMPETES?

The Frontier Conference Team Based League includes play for top Teams throughout Texas, Oklahoma, and Arkansas in the 13U-19U girls and boys Divisions.

WHAT IS THE FORMAT?

Brackets of up to 12 teams each will see teams play around 8-11 games per season, with most games hosted at neutral site events across the state of Texas. Games against teams from the same State Association will be scheduled in conjunction with your State Association or Qualifying League.

WHEN ARE THE GAMES?

A fall based Conference season for the 14U-19U divisions allows for players to participate in their high school soccer season with little to no conflicts. The 13U season will be held in the springtime.

WHY THE FRONTIER CONFERENCE TEAM BASED?

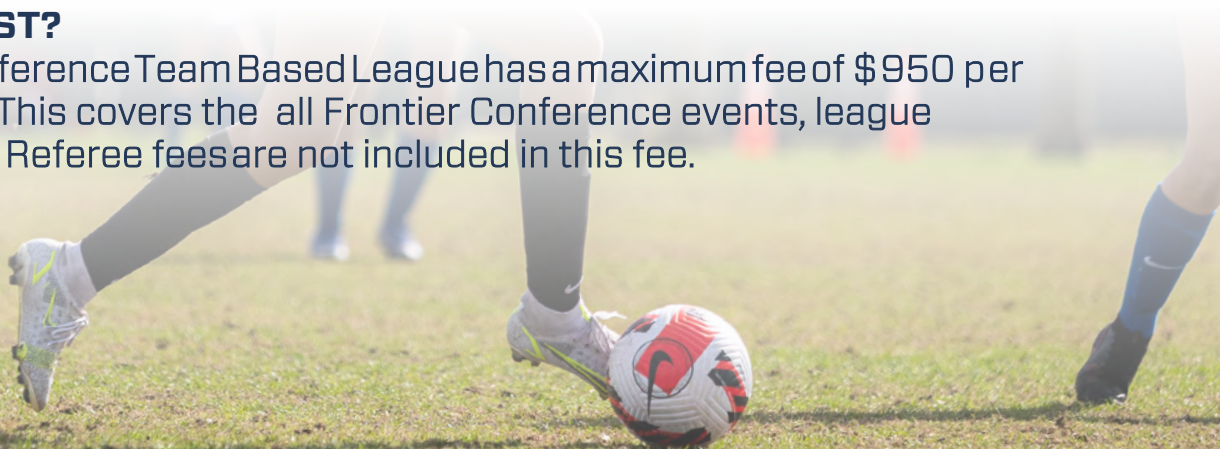

The Frontier Conference Team Based League provides a regional-level experience for teams in a competitive and structured environment. It also gives Premier I teams an opportunity to earn their place in a same seasonal year postseason event as well as a National League Quarterfinal event for the next seasonal year.

HOW IS IT MANAGED?

The USYS National League manages the Frontier Conference Team Based League with a full time League Manager and Assistant League Manager

WHAT IS THE COST?

The Frontier Conference Team Based League has a maximum fee of \$950 per team, per season. This covers the all Frontier Conference events, league management, etc. Referee fees are not included in this fee.

YOUR TEAM'S PATH TO NATIONAL LEAGUE FRONTIER

EARN YOUR SPOT THROUGH A QUALIFYING LEAGUE

The highest finishing team(s) from National League Qualifying Leagues (Girls Classic League - Elite Division, Northern Frontier Conference Qualifier) will qualify for the following season's National League Frontier Conference.

EARN YOUR SPOT THROUGH FRONTIER CONFERENCE PERFORMANCE

The top two teams in each National League Frontier Conference Division will be retained in the Conference for the next seasonal year.

EARN YOUR SPOT THROUGH AN OPEN APPLICATION

Teams that fall outside of the top two pathways can apply for Frontier Conference through completing an Open Application. This pathway allows National League Frontier to get the most competitive teams into the Conference

NATIONAL LEAGUE QUARTERFINALS & SEMIFINALS A NEXT SEASONAL YEAR EVENT SERIES

FRONTIER TEAM BASED LEAGUE

1st place team plus wildcards qualify for the National League Quarterfinals the next seasonal year

NL QUARTERFINALS

Ten groups of 4. Top 3 teams per group advance to the National League Semifinals. Finish at quarterfinals determines seeding at semifinals.

NL SEMIFINALS

The best teams from the quarterfinal round come together to compete for spots in the USYS National Championships.

NATIONAL LEAGUE'S PATH TO THE NATIONAL CHAMPIONSHIPS

CLUB BASED AND TEAM BASED LEAGUES

The highest finishing team in each National League Frontier Conference team-based and club-based division can qualify for the following season's National League Quarterfinals. Teams may also apply for a wild card slot through an Application process

NATIONAL LEAGUE QUARTERFINALS

The 40 best teams in each age group are placed into 10 groups of four. After three days of group play, the top three teams in each group will advance to the National League Semifinals. The higher a team finishes in its quarterfinal group, the higher the pool placement for the semifinals.

NATIONAL LEAGUE SEMIFINALS

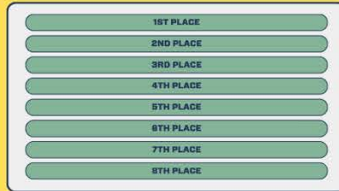

Featuring teams from both the team-based and club-based divisions of the National League, all of whom compete in knockout style competition in one of three semifinal pools to determine qualifiers to the USYS National Championships.

LEAGUE PATHWAY TO THE NATIONAL CHAMPIONSHIPS

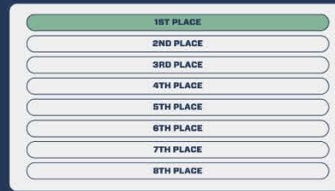

2023-2024 LEAGUE PLAY

CLUB-BASED QUALIFICATION

Eligible teams from a club can play at the quarterfinals, with each team's division finish determining pool placement in the quarterfinals. This applies to Elite 64 divisions.

TEAM-BASED QUALIFICATION

Qualification for the quarterfinals is dependent on the team's finish within its division. This applies to Premier 1 divisions and may include E64 RL and Premier 2 divisions.

PERFORMANCE IN THE 2023-24 SEASON DETERMINES QUALIFICATION FOR THE 2024-25 SEASON'S QUARTERFINALS

2024-2025 EVENTS

TEAM COUNTS ARE FOR A SINGLE AGE GROUP/GENDER

USYS NATIONAL CHAMPIONSHIPS

LOCATION TBD
JULY 2025

12 NATIONAL LEAGUE TEAMS

The 12 teams that qualify from the National League Semifinals will be in the field of teams at the National Championships.

Event locations/dates are based on considerations of the following:
Geography, weather, National League schedules & high school soccer schedules
